Mike Charles

Architecture, data, AI and cloud.
London, England, United Kingdom

Summary

I am a father, technologist, husband, science and maths nerd.
I am Europe's most experienced cloud architect, I now do
architecture, data, AI and cloud for an ambitious scale-up.

My key skills are in management, technology strategy, Agile
Software Development, DevOps and public cloud services. I hold
multiple certificates across disciplines and a BSc (hons) in Computer
Science from The University of Manchester.
I am also a published photographer, award-winning chef and keen
chess player.
